Race Licence No: 2010-0073

Come and take part in this very popular annual event. The route is a circuit of Derwentwater, with a loop into the Newlands valley, probably the most scenic 13 miles 192.5 yards in the country.

Please note that due to the November 2009 floods, we have had to make necessary changes to this year's course, therefore please read the race instructions for the amendments.
